

Month of Sivan Declarations:

Declare that God is blessing you this month with His provision, His revelation, and His power.

Declare that you will have His supernatural mercy and grace to complete what you need to this month.

Declare that you will do business with God this month and that His blessing will be upon your business or the work of your hands.

Declare that you will be a joyful, obedient giver and that you will learn God's prosperity principles. Declare that because of your joyful giving the heavens will open for God's blessings to be poured out upon you, and you will be positioned for multiplication and increase in the year ahead.

Declare that God will pour out His mercy upon you this month, and that He will help you to show mercy to others, as well.

Declare that you will be properly aligned and that you will see any areas where you are out of alignment.

Declare that your walk will reflect your talk. This includes walking in your physical body, as well. Walking means "continuous, ongoing progress." Declare that you will go from one level of strength to the next.

Declare that God will help you to pay attention to how and where you are walking, as this is a month of cause rather than result. The results of your actions may cause a manifestation later, whether good or bad.

Declare that the restoration of all you have lost or wasted will double, quadruple, or go seven times faster than your waste. Declare that He is bringing a multiplier effect over your losses.

Declare you will have times to gather with friends and family to celebrate Pentecost, which is a time of joy and celebration of the goodness of God to you.

Declare that this week of Pentecost will be different for us. Chuck prophesied that "things will be different starting this week." Declare that "you will progress different and you will move different from this point forward."
